Spring 2015

Dear Friend,

We are writing to you on behalf of Empower Charter School, a public elementary school centrally located in the Linda Vista neighborhood of San Diego.

On June 12th we are holding our annual Multicultural and Fitness Gala and we are hoping you will donate to this, our most crucial fundraising event.

Empower Charter School is committed to providing each of its Kindergarten through 5th grade students with a balanced academic and social curriculum. We believe that offering small class sizes, instructional aides in the classroom, and field trips are vital to a successful educational program. Your generous donation will directly support each child in our school through these important programs.

Contributions, and the contributors, will be advertised to the entire school body and the donations will be auctioned during our fun, well-attended, catered gala event. We hope you take this opportunity to support a great community school and our wonderful kids! Please fill out the online donation form and know that any details you can provide will help us auction your donation successfully. If an item requires pick up, please contact us and we will gladly send someone to collect it. Empower Charter School is a 501(c)(3) organization (EIN 46-2073430) and **all donations are tax deductible as provided by the law**.

We truly appreciate and thank you in advance for your contribution!

If you have any questions, please do not hesitate to contact us at events@empowercharter.org

Kindest regards,

The Parent Committee
