Dear Friend,

We are writing to you on behalf of Empower Charter School, a public elementary school centrally located in the Linda Vista neighborhood of San Diego. Our school offers a Spanish Immersion program and a unique focus on fitness and health.

**On February 26<sup>th</sup>, 2016 we are holding our annual Multicultural and Fitness Gala** and we are hoping you will donate to this, our most crucial fundraising event.

Empower Charter School is committed to providing each of its Kindergarten through 6<sup>th</sup> grade students with a balanced academic and social curriculum. We believe that offering small class sizes, instructional aides in the classroom, and field trips are vital to a successful educational program. Your generous donation will directly support each child in our school through these important programs.

Contributions, and the contributors, will be advertised to the entire school body and the donations will be auctioned during our fun, well-attended, catered gala event. We hope you take this opportunity to support a great community school and our wonderful kids! Empower Charter School is a 501(c)(3) organization (EIN 46-2073430) and **all donations are tax deductible as provided by the law.**

We truly appreciate and thank you in advance for your contribution!
